If you think you have a fairly good command of German, think again. For it's a sure bet that Frau Schultz never taught you those nasty little guttural curses and humiliating invectives so expressive of real low German speech. But relax - here at last is the one book that can introduce you to the very worst beer-hall German.

"Scheisse!" is an indispensable guide to off-color German colloquialisms and profanities - lascivious bedroom slang and boozy insults, jeering scatological put-downs and scurrilous ridicule. This hilariously illustrated cornucopia of creative expletives, guaranteed to vex, taunt, aggravate, and provoke as only overwrought low German can, will help you master the fine art of German verbal abuse - with triumphant one-upmanship.
