Have you ever come face-to-face with the person who hurt you most in your life? That's exactly what happens to Sandra Morgan, a young and beautiful assistant district attorney. She comes face-to-face with the man who abused her when she was a child when he is on trial in the New Orleans Criminal Court-and Morgan is the prosecutor. A shocking courtroom decision consumes her as she battles with her inner demons in an effort to seek the revenge to which she feels entitled. But after the trial of her life, is there really a winner?
