The book introduces the significant historical events as signs of rise and fall of the great dynasties from the Ancient history of China to the end of the Qing Dynasty- almost 5,000 years. By reading this book, a book which has a very lively writing style, one can easily understand the long and mysterious history of China and become more familiar with the processes of Chinese society. As it is dual language, English and Chinese, it is a good learning tool for learning the Chinese language.
