“If you’re a man and you think: you’ve got the best game, the ladies fall at your feet, you can make anybody do anything for you at anytime, and no one’s got mad Tucker Max swagger like you... sit down, shut up, and get out a pen and paper. You’re going to want to take notes.” Job, heartbroken and broke, new college graduate Laila Lucent packs up her car and drives alone across the country to her new life as a Las Vegas stripper. In an empowering, intelligent and hilarious memoir of self-discovery, 22-year-old Laila takes us deep inside the best, most infamous, strip club in Las Vegas, the Spearmint Rhino. From living with home drug addicts, to practicing yoga on the beaches of Costa Rica, from threesomes with wealthy foreigners, to dancing at the best music festivals in the world, The Yoga Stripper is a wickedly funny reverse fairy tale where morality is flexible, money is fast, and clothing is discouraged.
