After discovering the courage to divorce her abusive husband, Trina Jones rises from her ashes like the legendary Phoenix. Strong-willed and determined, she rebuilds her independence. After her divorce, a string of bad luck sets her back tremendously. Faced with eviction and repossession, Trina becomes frustrated. To make matters worse, she is laid off from her job. Vampire Cecil McKagan graciously accepts Trina into his home once he discovers her hardship. The bond between them ultimately strengthens, and the pair become lovers. However, past negativities threaten to tear the couple apart...
