It's 2011 and as the world inches closer to the 2012 Convergence, Tim Christenson, an addicted street thug attempts to rob the wrong man... Forced into a journey of epic consequences by the enigmatic Kuthanaga, Tim learns of the devastating fate in store for all of humanity and must come to terms with the sins of his past. Kuthanaga claims he will save one billion humans. The only problem: There's nearly seven billion on the planet.
