"Hillary Clinton, Prophecy, and the Destruction of the United States" explains about how, by virtue of her background and policies, Hillary Clinton is fulfilling, and will continue to help fulfill, various prophecies that will lead to the destruction of the United States. Not intended as an anti-Democratic nor pro-Republican book, "Hillary Clinton, Prophecy, and the Destruction of the United States" also tells the truth about Republican leaders and why their practices would also lead to destruction. It answers questions many question. Is Hillary Clinton apocalyptic? Does Bible prophecy warn about a woman leading the USA? Could Hillary Clinton be the Antichrist? Citing Islamic, Buddhist, Catholic, Byzantine, Native American, and Bible prophecy, as well as the writings of Nostradamus and others, "Hillary Clinton, Prophecy, and the Destruction of the United States" explains from many sources where, why, when, and even some of how, the various aspects of destruction will come. Since Dr. Thiel first wrote about the Obama Administration in his 2009 book, it has taken steps to fulfill, at least partially, at least a dozen predictions that Dr. Thiel recorded. More will be

fulfilled as well. Would you like to learn more about what Hillary Clinton has done and the real direction that the United States and its British-descended allies such as the United Kingdom, Canada, Australia, and New Zealand are really going? This highly referenced book documents the truth about this.
