COMPLETE BOXED SET ***ALL THREE BOOKS*** Love the '80s? Miss big hair, rad music, and leg warmers? Take a step back in time with Melt with You (A Totally '80s Romance). It's like totally awesome.

From the NEW YORK TIMES and USA TODAY bestselling author, Addison Moore: September 1984 Junior year is really shaping up to be something. After three years of trying, I finally made the cheer squad. And on the last day of summer practice the demigod of Glen Heights High, Joel Effing Miller, finally notices me—right after he runs me over and lands my leg in a cast. Yeah, junior year is really shaping up to be something. I swear I didn't see her. But I'm making it up to her every way I can. I'm driving her to school, helping her to all of her classes. I've never met anyone so down to earth—a girl who actually likes the things I like. Melissa Malinowski is a breath of fresh air. I can't stop thinking about her. I swear I didn't see her, but I should have. Melissa is too beautiful to miss. My name is Kelly Masterson, and nobody messes with me. I'm Joel Miller's girlfriend. So Joel ran Mouse-akowski over with his truck. So what? He should've finished her off. And now he wants to break up? As if. Nobody breaks up with me. Joel is mine, and he's going to stay that way. And after having a nice little chat with his mother, it's become clear why he's bending over backward to please that human speed bump. I'll make sure Mouse-akowski understands this, too. That will be the end of

Joel and his nerdy little plaything. My name is Kelly Masterson, and nobody messes with me. 1984 called and it wants to Melt With You.

Melt With You (A Totally '80s Romance 1) It's like totally awesome. ***CAN BE READ AS A STANDALONE*** TAINTED LOVE (A Totally '80s Romance 2) September 1985... Heather Knowles is the coolest chick I know. She's a little wild but she's genuine, honest, and drop dead gorgeous. The more I get to know her, the more I want to spend time with her. She's finally opening up to me, and a part of me really wants to tell Heather all about my haunted past—that I'm not the person anyone thinks I am. If my mother had her way, I'd go to the grave with that info. But Heather is probably the only person who would understand.

She's so beautiful. I don't know how I got all the way to senior year without getting to know her better. Now the only thing I want is to make up for lost time. HOLD ME NOW (A Totally '80s Romance 3) December 1985 - Senior year is really shaping up to be something. In an effort to turn my humdrum life around, I decide to take a walk on the wild side. By the time graduation hits, everyone will know who I am. Only, things don't exactly go as planned. They go horribly, terribly wrong right out of the streaking gate. Not only have I embarrassed myself in front of Jessie Fox, the only boy I've ever had a crush on, but the entire basketball team now has an obscene nickname just for me. Sadly, I got my wish. Everybody knows who I am. Yeah, senior year is really shaping up to be something.
