Auctioneer Wren Morgan and her private eye fiance Death Bogart are ready to meet the parents and settle down together. But their sleuthing days are far from over. While Death and Wren are helping prepare auction items at an old supper club, a Viking reenactor nearly dies at the historical settlement next door.

The cause? Seeing the ghost of his daughter, who went missing twenty years ago. As Wren looks into what happened to the Viking's daughter, Death is hired to investigate the theft of historical items that have high sentimental value. When their respective investigations turn out to be connected, the couple gets caught in a deadly conflict.
