Life at Shippensburg University is anything but perfect, but these days it has reached a new level of horror.

When the blizzard passes that collapsed the roof of Ravney Hall and claimed the life of a student, a storm of even greater danger is only just beginning to brew. Students rebel.

A cop is killed. Detective Michael Ross of the Shippensburg Borough Police Department and his partner, William “Billy” McGee, are called to the scene.

It appears as an open-and-shut case, but soon it becomes a discovery beyond what anyone ever imagined possible at this small university in Pennsylvania. It seems whoever steps foot on “The Ship” has a chance of never making it back out alive... including Michael Ross.
