[Ménage Amour: Erotic Cowboy Ménage a Trois Romance, M/M/F, with M/M] When retired Special Op Brandon Reed comes back to Chelwood, he doesn't expect to find his high school buddy Wade Gardener still living in town with the woman Brandon used to date, Kimber Williams. It hurts him to see that they have taken back their love for him and given it to each other. Kimber doesn't know why Brandon deserted her as a teenager, and although madly in love with Wade, she has never gotten over Brandon. But Wade has his own issues to deal with.

He knows the real reason why Brandon left town so suddenly, but he's never confessed his true feelings for Brandon to the woman he adores, or even to himself. Just as Brandon begins to fear there is no room in their hearts for him, the past comes back to haunt him, and he is thrown into a desperate struggle to save their lives. A Siren Erotic Romance
