Bestselling spiritual author of *The Soul Searcher's Handbook*, Emma Milton—the “goddess-messenger-girlfriend who may just lead you to your inner guru” (Katie Silcox, *New York Times* bestselling author)—provides a fascinating, fun, and inspiring exploration of the female face of God throughout history, myth, and religion to help women understand, embody, and celebrate their inner goddess. *The Evolution of Goddess* is a practical introduction to the goddess realm, digging up the histories of long-forgotten myths of goddesses of love, war, death, the sun, the moon, and more. With this clear-eyed and spirited book, you can finally become familiarized with goddesses from a wide range of cultures throughout history, including the mermaids of the Atlantic, the empresses of ancient Egypt, the wise women of the Middle Ages, right up to the modern-day goddesses who walk amongst us today as humble light workers, educating and inspiring.

Through a goddess assessment, you'll uncover your own goddess archetype and be given rituals, meditations, and exercises to tap and embolden your own feminine superpowers. Imbue your life with healing, invigorating goddess energy, and discover ways to harness your new empowerment to improve the world. Now is the time to reconnect with the strength and holistic spirituality of our ancestors—to trace the evolution of the Goddess.
