As WINNER BEST NEW ADULT ROMANCE NOVEL OF THE YEAR by the Paranormal Romance Guild and READER'S FAVORITE 5 STAR RECIPIENT Alyse Nennig will draw you in and make you rethink your stance on history's monsters: "Move over Edward and Bella and make room for John and Hannah! Never Again by Alyse Nennig is a breath of fresh air amidst a slew of stale vampire romances." - Sefina Hawke for Reader's Favorite, editorial review "Never Again is totally enrapturing from start to finish...I died inside reading this book and John Trott brought me back to life." - NDP Book Review All vampires were once human. Who says they can't be again? Carrying invisible wounds from a tragic childhood, Hannah Jacobs doesn't allow herself to fall in love - until she meets John Trott.

Sexy as hell, charming, and sensitive, she immediately finds herself drawn to him and, within days, giving him her heart. Twice broken, John effortly makes her heart whole again, except Hannah's buried fear threatens to shatter it once more as dangerous circumstances reveal dark secrets. One is a vampire and the other a vampire hunter, making a relationship impossible as they've been labeled natural enemies throughout history.

A witch's journal, however, tells a much different tale. Centuries old it holds a dark and troubled past with a cure and prophecy, giving Hannah and John a future. But, it's one they'll never see...if she has a shattered heart. Warning: contains some explicit sex scenes. For mature readers only.

WHY YOU'LL LOVE IT: "Loved the intrigue. Loved the romance. Just all-around loved the book and am looking forward to the sequel." - Theresa Hostettler, Amazon Reviewer "I love it so much I would like to see it become a movie." - Anonymous, Amazon Reviewer "...a fantastic joyride of vampires and vampire hunters, filled with brutal fights and sensual nights that flesh out this story beautifully.." - Natasha Jackson, Reader's Favorite "The story itself is entirely engaging....I think this is an author and a series with great potential." - Judi E.

Easley, Blue Cat Review "The secondary characters in this book are every bit as wonderful as the main characters... Believe me this book doesn't give you a chance to say 'What the ----' before something else happens." - Linda Tonis, reviewer for Paranormal Romance Guild "A very intriguing read. A page turner with unexpected twists." - Jane Niedfeldt
