The couples are back, and although their relationships are stronger and more legal than before, trouble somehow found a way to seep through the cracks. London and Tammi finally decided to throw in the towel. With a new mindset of life, they're mothers raising their kids right. All they want is to live the good life. Unlike what their mother made them become. Unfortunately, having the white picket fence life comes crashing down when an unexpected event occurs changing their lives. LOVE or DEATH is the test in each relationship. Can BBC finally be put to rest? The gang is back with the final installment of this juicy series. Will the girls, London and Tammi, get their happily ever after ending? Or, will their past hinder them from finding that forever love? Is London to caught up to appreciate what's real and true? Will she and Kellz make it out of their sticky situations? Tammi and Dro are back at it like nothing ever happened. Dro is going to protect his family at any cost. However, riveting secrets may just blow up everything they've ever worked for. No one is safe! Love over money? Or, Money over Love? Family is everything to London, Tammi, Kellz and Dro. Find out if they'll be able to withstand this brewing storm. Buckle your seatbelt for the finale ride in Lil Baby Got A Thang For A Savage.
