An American female doctor, an Arab Christian man, and an officer of the Sudanese Liberation Army must work together to find and liberate a young girl who's been abducted into slavery by the Northern Sudanese. These unlikely partners face the reality of a nation in turmoil, and the rampant hostility that exists between Christians and Muslims. When the Lion Roars addresses issues of prejudice and the injustices inflicted upon Southern Sudanese citizens. Will romance emerge despite the difficult situations? Redemptive resolutions reveal the heart of God toward all people. Download the Readers' Guide.
