This beautiful set of ASL flash cards was designed with both you (the parents), and your baby in mind.

On the front of each card, clear, brightly colored photographs hold your baby's attention and motivate him or her to sign.

On the back of each card, easy-to-understand photos and descriptions show you how the sign is done. What's most important is to have fun! The more joyful your attitude during any activity, the more your baby will find delight in it and want to do it!
