Ellen Dugan, the author of *Garden Witchery*, is the ideal guide to show us how to bring the beauty of nature and its magickal energies indoors. Using common household and outdoor items—such as herbs, spices, dried flowers, plants, stones, and candles—she offers a down-to-earth approach to creating an enchanted home. From specialized spells and charms to kitchen conjuring and color magick, this hands-on guide teaches Witches of all levels how to strengthen a home's aura and energy. Readers will learn how to use begonias and lilacs for protection, dispel bad vibes with salt and lemon, perform tea leaf readings, bless the home with fruit, invite the help of home faeries, perform houseplant magick, and create a loving home for the whole family.
