99) *This is a COMPLETE novel, no cliffhangers* Crystal is young, free and single. She is loving living the bachelorette lifestyle in Manhattan and since she makes her own money she does things on her own terms and she loves it. She can sleep with who she wants, when she wants and not have to feel guilty about it. However, her dating life takes a dramatic twist when she begins to develop real genuine feelings for a man she is dating. Is it possible she might have found love when she least expected it? The big question is, what is the real reason that Crystal has for not wanting to ever get married? The truth is about to come out and the truth is going to shock everyone, even those who think they know her best.... This is a COMPLETE Novel featuring a HUGE twist that you will never see coming! Start reading now by scrolling up and clicking on "BUY NOW"! Also, available for FREE on Kindle Unlimited Warning: This story does contain scenes of a sexual nature and is the type of book your mama will have warned you about. Only read if you are 18+ This book is part of the "Independent Women" series but can be read STANDALONE. There are NO Cliffhangers! The 3 Books In This Spin-off Series Are: Right Man, Wrong Time? (Tamika) - Out Now! Laid In Manhattan (Crystal) - Out Now! That Girl Is Poison (Kalena) - Coming Soon!
