A conspiracy horror novel inspired by the film Jurassic Park: - Intense characters with hard histories: some to admire, others to despise - Fast Thrills, High-Tech and Twistful Suspense -Monsters, Motives and Madmen. DO NOT READ THIS IN THE DARK! On a normal summer day, a security team gathers arrives in a Carolina forest to retrieve the result of their company's super-secret science project - but as the day drags on, horrific things happen and they begin to realize that they've brought something back...

and that something is looking for *them*. By the week's end, few will survive, and those that scream the loudest will get the most attention...from IT!
