Don't miss a second chance to enjoy this bestselling story from Sandra Marton! Beauty who defied the beast! An invitation to France is the fresh start Danielle needs. But throwing off the shackles of her old life and asserting her independence proves difficult in the presence of formidable tycoon Lee Bradford. The injury that ended his racing career has left Lee dark and brooding. Danielle is a breath of fresh air, but her innocent spirit can only be tainted by his damaged soul. Should he fight their attraction—or will Danielle be the one to redeem this ruth billionaire? Originally published in 1990 as Garden of Eden
