No longer available. Librarian Note: Alternate/new cover edition for ASIN# B0083ECPDK. Being the new kid in school is tough.

But there's nothing to feed your fantasies like having the snooty kids invite you to a party. And, if you're a growing teen, and they entice you with loads of chow, who can blame you if you get carried away? This dark fantasy is fewer than 500 words, but designed to juice your cravings.
