The final volume in this unabridged heart-thumping collection of short tales from the author of the bestselling Inspector Banks series Peter Robynson is one of the crime world's finest stylists. This is a collection that will explore our hidden paranoia, challenge all that we take for granted, lure us to new, exotic places only for us to wish we could run back home, and keep us up all night just waiting for the safety of the dawn...This is the first volume of a three volume audio series.
