Care to Dance to the Beat of Your Angels Wings? Within every human spirit there exists a special place, a place where the hopes and dreams of the imagination soar, unchained from the slavery of logic and the tangible, physical world.

A place where the supernatural culture of Heaven's Kingdom is the fullest reality. For some, visiting this unique place is a frivolous waste of time, a mental blowing of dust bunnies.

For others this place becomes the mountain meadow within the soul, the sweeping expanse of rugged peaks, wildflowers and fragrant grasses, where steams of pure glacial water tumble and crash in prismatic waterfalls, where the spirit runs free, dancing in worship and joy. It is a place where the impossible flourishes, where dreams survive the inferno of reality to become the miraculous wonders that draw us forward into the Father's presence. It is a spiritual journey for the spiritual pilgrim - it is the place where the supernatural is the expected reality. It is a place where hardships, devastations, sorrow, pain and peril pass through the savage cleansing fire to be transformed into a rare and price masterpiece of exquisite beauty.

If you are this kind of pilgrim on a spiritual journey come along on the secret trails to discover buried treasure in Heavens Kingdom on the earth.

This Book 2 is a continuation of Book 1 of the Midwife's Heritage series and continues the exciting adventure that just happens to occur in the lives of two midwives. These true stories will hopefully stir up curiosity, expand your vision and wonder, and awaken a hunger for the things unseen that can impact the birth of each new spirit-vessel exponentially. It is His story written through the lives of His people. This is the Midwife's Heritage, one that brings Glory to God our Father and brings us closer to the Father that is our God.
