A single drop of blood might hold the key to the fate of the magical world, and Aiden Teine must choose between his bond of love and embracing the power to defeat his enemies. Aiden's adjustment to being the first vampyre fae hasn't been easy, but his ties to warlock Thad Blackmoor prevent him from becoming a monster. With Thad, Aiden has a new family, a new purpose, and a new reason to live—though he's technically undead. There's one problem: Aiden's control over his vampyre is weakening. He must learn what's triggering his violent reactions before he surrenders to the creature within.

To complicate matters, Aiden discovers his transformation might not be complete, and he fears what he will become. Aiden's search for answers thrusts him into a frightening world filled with deception, new dangers, and apocalyptic visions. The part destiny intends Aiden to play could alter his relationship with Thad forever. If Aiden, Thad, and the entire magical community are to survive Icarian's latest scheme, Aiden must interpret the meaning of the prophetic blood drop before it falls and ushers in the destruction of all creation—and the warlock he loves.
