She's got a broken heart... and a fully loaded arsenal.... Ex-army ranger Jim Morgan leads a team of elite mercenaries, but eighteen years ago in Paris, he was part of a black ops unit whose mission was to hunt down a rogue operative. In order to trap the criminal, Jim seduced Noelle, the man's daughter—a ruth act that cost him the love of his life and turned her into a mortal enemy. Now he can't trust her, but he still desires her. He also needs her help.... Older, wiser, and unwilling to play the fool again, Noelle runs a group of highly skilled assassins. And she's just been offered the hit of the century: Eliminate Jim Morgan. History gives them no reason to trust each other, but with their lives in jeopardy at the hands of a common enemy, the lines between love and hate are soon blurred. Now Noelle and Jim must face the past if they want to have a future—let alone a future together.
