We Have Been Invaded. The modern evangelical church is even now undergoing a transformation that is changing its heart and soul and foundation completely. The FutureChurch is the deliberately designed dream of those moving the world toward globalism, "One World - One Religion." Two or three decades ago, the obstacles to such a transformation were so many as to make the task almost impossible. But, said the tortoise to the hare, slow and steady wins the race. And while the church has run hare-like into trends, megachurch programs and media-driven movements, the New Age tortoise has come into the back door and planted within our walls the tares of deception and illusion that are transforming the church into a New Age Globalist apparatus and puppet from within. Be aware. Be prepared. The Trojan Church is here. Dr. Gregory Reid has been in youth ministry since 1975. He has served as a criminal justice trainer on occult crimes and crimes against children since 1987. He is a retired Private Investigator, an ordained minister with American Evangelistic Association, and is currently serving as a youth pastor. He is director of YouthFire Ministries, and holds an honorary doctorate from Logos Graduate School.
