Amid the shadows of fear, a clandestine group waits for an opportunity to change the course of history. Harlot, liar, spy... On the threshold of losing her plantation, Annabelle Ross finds a cryptic letter on a dying soldier and seizes the opportunity to get out a message of her own. She never dreamed her plan would brand her a suspected spy... or worse, an unwilling conspirator. Deserter, traitor, accomplice... When Matthew Daniels's brother is taken captive, he finds himself caught up in a plot to gain leverage on the Union. The lines are drawn in blood, and the risk is there for the taking. But will his reck gamble cost him the woman he had determined not to love? She wants to save her home. He wants to save his brother. Together, they may just save a nation.

Book Two, Losing Lincoln "The time has come when I must change my plan...." Among the thousands of captured and hope Confederates, she searches to find the one man who could be the key to saving her inheritance. Wounded, desperate, defeated... Matthew yearns for peace away from Washington.

Yet, he can never seem to escape his ties to a frantic madman seeking vengeance. Lurking in the shadows at every turn, the cycle of retribution continually brings yet another danger, and Matthew will do everything in his power to protect the woman he loves - even if it means keeping her from the truth. In the final dark day days of war, Matthew sets his hopes on Annabelle. She could be the lighthouse that guides him out of the ever encroaching sea of chaos - if only they can allow love and trust to overcome their prideful hearts. Book Three,

Forced to choose between his allegiances and the safety of the people he loves, Matthew finds himself swept into the most massive manhunt in history.
