"Like...don't you want us to serve You, Sir? Forever? Please?" Ethan Prince doesn't know why, but he's got power beyond his wildest dreams. With just a look, he can turn a regular woman into a complete bimbo goddess—fertile, gorgeous, and utterly willing to serve him exclusively in every erotic way, even if she was an innocent virgin. Their curves are spectacular, their faces angelic, and their cups overflowing with sensual milk. Every sexual fantasy he's ever had is available to him with the hottest women he could imagine, and his harem keeps growing and growing. But there's one woman who can resist him—Amelia, the girl of his dreams, who's been given powers like Ethan. Only, her powers make her super strong and tough, and resistant to Ethan's mesmerizing gaze. The next time Amelia sees Ethan, she's vowed to defeat him once and for all. Because even though Ethan doesn't mean ill to anyone, he can't help but turn normal beauties into his helply turned-on possessions, ready to breed for him at a moment's notice. He knows he's bad to the core...but with all the pleasure his harem gives him, he's started not to care...
