"INFINITE OPPENHEIMERS" What if the research and development department created to produce the first atomic bomb was a front for a series of other, more unusual, programs? What if the union of a generation's brightest minds was not a signal for optimism, but foreboding? What if everything... went wrong? Welcome to THE MANHATTAN PROJECTS, a brand new, ongoing, monthly comic from the creators of THE RED WING. Brought to you by award-winning writer JONATHAN HICKMAN and possibly the best new talent of the year, NICK PITARRA, THE MANHATTAN PROJECTS is a look at history through a darker, much stranger, lens.
