What better place to have a wedding and bachelorette party than the City of Sin, Las Vegas? Three best friends, Morgan, Claire and Riley, embark on a wild, steamy weekend for one final thrill before Riley, the last of the three to get married, ties the knot. The night before her wedding, Morgan and Claire take Riley to a special magic show that isn't at all what it seems. A show where the Magnificent Constantine and his assistant Isolde perform acts that aren't for the prudish or faint of heart. Where the magic the two perform is all too real. When the show comes to an end, Riley thinks that it is over. That the next day she will find herself married to the man of her dreams. But for her and friends, the intrigue has just begun. Because Riley's fiance isn't the man she thinks he is. Because Constantine and Isolde have plans for Riley. And because a shadowy figure has Riley's friends in his sight. After this night, nothing will ever be the same for any of them. What happens in Vegas doesn't always stay in Vegas. Welcome to The Conjured Chronicles, an erotic fantasy/thriller: a tale of dark men, darker women, and the darkest of magics, where the line between good and evil, between friend and enemy, is blurred and nothing and no one are quite what they seem. Warning: This novella contains language and situations that may not be suitable for people under the age of 18. It contains explicit sexual scenes of the m/f, m/f/m, f/m/f, and f/f variety.
