An explosive tale based on a true story of a damaged teenage girl and a rock-star. When fifteen year old Libby O'Neil announces she is pregnant it is a catalyst for some devastating changes in many people's lives. Her claim that she was raped by rock-star, Chris Bergin, makes headlines around the world. The singer remembers little from his last night on tour, an orgy of sex and drugs and watches as his family and reputation are shattered.

But as the sordid tale unfolds before the court and the world media an uncomfortable truth is revealed.

Who is the real victim?
