With a loving family, fame, fortune, and a fast track to becoming the heavyweight boxing champion of the world, Billy Miske had it all. Though another fighter never even knocked him down, there was one opponent Billy could not defeat no matter how hard he fought. Based on the incredible inspiring true story of one of the greatest prizefighters of the early 20th century, The Final Round takes you back to a time when family, sacrifice, pride and love drove a man to the ultimate fight of his life.
