Served is the fifth and final installment in the reverse harem paranormal romance serial, Seeking Serena. The game is closing in on itself and the thread of Serena's fate is twisting to a wild end. They're all coming for her now and when there's no way out, what more can she do? She's been running from them since that dark night at the Deadmourn Mansion. She had no hope then and what has she to hope for now? If some of the heirs still wish her to live, there are darker things who need her to die. She's the crux at the end of an age and either she dies or the world falls apart. Who will stand beside her? Hell is waiting...
