The Alphabet Kids love going to the playground but noticed that Yang did not join in.

Yang had his own ideas about having fun. Find out his secret (Tai-Chi) in Yang's New Dance. Yang is Chinese-American. Alphabet Kids is an original multicultural children's series created by Allegra Joyce Kassin. The delightful and time stories follow the adventures of Allegra, Elena, Isaac, Oni, Umar and Yang as they learn to embrace diversity through language, foods, customs, and music! The stories are intended to help children learn to love who they are and realize that people who are different can be very good friends plus other valuable life ons.
