This world will burn... The Shadow Children's greatest enemies have been unmasked, and the stakes are far higher than Grace had ever feared. With her friends imprisoned and the Circle determined to annihilate the Human race, Grace and The Shadow Children must prepare for war. There is only one way to break the Circle, but are Grace and Sam strong enough to make the sacrifice? The Shadow War is the last heart-stopping installment in L.C. Hibbett's riveting Urban Fantasy series.
