Are you happy with your current level of passive income? Do your products or businesses make you money while you're asleep? When it comes to money and passive income, the only person you can rely on is yourself. Unfortunately, there are a lot of obstacles in generating multiple income streams... especially if you're doing it for the first time. Disclaimer: I am not an online course guru that sold millions of dollars worth of online courses on Udemy. I am skeptical of those claims, because what are the chances of such success? I am just a regular guy whose English is not even that great.

If I can sell over \$20,000 online with my books and courses and even more in-person with live trainings, then maybe you can create a \$100-200 per week income following my secrets. Need to say, you can create online courses in your spare time and anywhere in the world. Also, you can pick any subject. When I created my third online course, I wasn't an expert on the topic, but I became the expert in the process of making the course. Discover what you need to learn to thrive... and master online courses creation and other income generating strategies that really work. ProgWriter 2.0: Beyond Books is a sequel to my first ProgWriter book that was about my experience in publishing. Formats and tactics change, but the core strategies usually remain

the same. If I can sum up those strategies in one sentence it would be: helping people by sharing an expertise that you possess or acquire during the process of teaching. The goal of this report is to tell you what worked and what didn't for me, giving you the best tools and inspiration. I hope they'll help you to achieve your monetary, career, creative, or contributorship goals. There are several chapters in this book: Live Training Online Courses Webinars One-on-One Coaching Apprenticeships Masterminds Membership Communities Read this book and you will learn what is the easiest way to start creating content for an online course. (hint: it's not buying expensive equipment).

Take the next step and create multiple streams of income by re-packaging the content.
