An exciting mix of action and illustration for reluctant young readers Kai Masters is a Border Guard, training to keep the world safe from Beasts. When his robot dog finds some fish bones and mysterious green slime on the beach, Kai has to fight a water beast. Should he choose the Torpedo Cross Bow or the Super-Zap-6? Using an engaging combination of text and illustrations, the Boy vs Beast series blends computer game action with literacy and reading acquisition. Water Beast is the first book in the series, and is recommended for reluctant readers aged 6-10.
