With her sparkling green eyes and dark flowing hair, Rose Dunn was as expert with a six-shooter as she was with a man. Always dreaming of romance and adventure, Cimarron Rose lost her heart the moment she set eyes on the handsome outlaw "Bitter Creek" Newcombe, the First Lieutenant of Billie Doolin's notorious gang. And as she rode through the wild Oklahoma Territory, Cimarron Rose was nurse, scout, spy, courier and hostler for the gang. Her passion was as fierce as her courage, her spirit as strong as her desire. If she had to life, cheat, rob or kill she'd do it - to keep the man she truly loved!
