You are the greatest living miracle in the world! We are each born into this world destined for greatness. Isn't it time that you achieved the level of success you deserve? Why are so many people stuck in their self-imposed world of mediocrity? In John Paul Carinci's new book "An All-Consuming Desire to Succeed", he shows us that we can succeed greatly, and it is only our thinking that impedes our progress to success. We each search for a better life, more inspiration, and a way to be more productive and fulfilled. This highly motivating book will change your life. With "An All-Consuming Desire to Succeed", you will learn: * The principles that can catapult you to success. * How to control and eliminate worry and fear. * How to get enthusiasm back in your life. * Developing and maintaining mental blinders to negativity. * Understanding and forming good habits. * Maintaining that all-important self-belief for life. * Using life-changing "Positive Affirmations." * Maximizing your subconscious mind. * How to formulate and achieve your special goals. Maximize your life! Be different! Make your mark now! Transform your life today!
