Paige Reynolds is an independent woman who never knew Dominance and submission existed until an internet search brought her to The Lovable Dom forum and she met - Him. Her entire life changed the moment her and Sir connected. After four years of love, friendship, and pain, Paige has decided to fight for what she wants and needs most in her life. The one thing she'd never had before, and now, can't live without.

her-Sir. *** Part One of Sir and Paige's emotional journey into a life of D/s. The My-Sir series are serial novelettes. Each short story is self-contained, but part of a larger story ARC, told over a series of books. The Contract (My-Sir #1) Lock and Key (My-Sir #2) One Night of Control (My-Sir #3)
