Opaque is an inspirational and compelling tale of an apprehensive soul's journey to find purpose and meaning. It is the story of Josephus who has just been sent back to planet Earth.

He is in "the skin" once again. Josephus is aware of why he has been sent back, but he is reluctant to fulfill his present mission. An old friend and mentor, Zuriyah, seeks out Josephus to remind him of the importance of his return. The wonders of Opaque include luminous lights in the sky, interdimensional beings, space and time travel, and ancient mysteries - all which allude to the power and mystique of our Earth. Opaque is a story which will inspire readers to move towards higher consciousness and a greater awareness of the true purpose of our spiritual being.
