Barack Obama, Prophecy, and the Destruction of the United States” explains how, by virtue of his background and policies, Barack Obama is fulfilling, and will continue to help fulfill, various prophecies that will lead to the destruction of the United States. Not intended as an anti-Democratic nor pro-Republican book, “Barack Obama, Prophecy, and the Destruction of the United States” also tells the truth about Mitt Romney and why his possible election would also lead to destruction. It answers questions such as “Is Barack Obama apocalyptic?” and “Is Barack Obama the Antichrist?” Citing Islamic, Kenyan, Catholic, Byzantine, and Bible prophecy, as well as the writings of Nostradamus and others, “Barack Obama, Prophecy, and the Destruction of the United States” explains from many sources where, why, when, and even some of how, the various aspects of destruction will come.
