Being an openly gay NFL star, Mark Preston gets a lot of heat. When his teammates find out, they immediately want the coaches to let him go. When the coach refuses to give up one of the best players in the league, the guys decide to take matters into their own hands. Bullying Mark on the field and in the locker room, they figure that will make him quit. Wrong. When Mark finally has enough, he sets up a scrimmage game. He and his squad of other openly gay men versus the straight players. Winnings will go towards support and funding for the LGBT community. If the gays win, the straight men will have to attend a gay event and if the gays lose, they will have to attend a straight event. When the deal is set, the pressure is on. If there had never been a more heated rivalry, the battle between gay men and straight men would take the cake.
