SETTLE THE SCORE College senior Garnet Figueroa lives and breathes basketball. A reliable asset to her varsity team, she is equipped with the skills and smarts to get the De La Sierra Lady Hunters closer to this year's championship title. But Garnet soon finds out that her good friend (and long-time crush), cheerleader Charles Crisostomo, is being cheated on by his girl, and she lets her emotions get the best of her. Will she be able to come up with a game plan to save herself from heartbreak before the buzzer signals Game Over?

HUSTLE PLAY Running on pure adrenaline and working with game strategies is something a basketball player like Garnet Figueroa is trained for. On the court, she is unbeatable. Off the court... that's a completely different story. Because falling in love is trickier than a ball game, and Garnet finds herself fumbling over her feelings for Charles Crisostomo. The fact that her attention gets divided between him and rival school hard-court hottie Chris Barcelo doesn't help. Or does it?
