As war rages across Europe, in Dundee the Neill family continues to face challenges and hardships.

Rosie is having a difficult pregnancy, while Johnny has fallen and fractured his skull on a trip to Orkney with the Home Guard. Meanwhile, Ann Neill is looking forward to meeting Greg again when he gets a much-needed break from his work at Bletchley Park, but she soon realizes that they are drifting apart. When the war finally ends, Danny Ryan does not return, although they think they see him on a cinema newsreel one day...and when Granddad becomes ill they are in crisis once again.
