In the continent of Chang'an humans had lived as livestock and slaves to the Primordial Beasts. These beasts were ferocious, bloodthirsty and overwhelmingly powerful, but even so, the humans managed to prevail in the face of despair. As the human race grew stronger the Primordial Beasts fought back with relent fierceness, rousing beast hordes to engage in frenzied battles over the land. Every single child on the continent was taught martial arts for the sake of fighting these Primordial Beasts, yet many of them were sent straight to their death. In this world filled with constant battle, a young boy was born. This young boy was hoping to become the most outstanding cultivator, but who would have thought that his talent was so poor that he could not even cultivate? As the boy was filled with despair over his unfortunate situation, a life changing event occurred which would forever leave a scar in his mind, pushing him to transcend his limits and grow to become a legend.
