There are rules that every player of every game must abide by, no matter how dangerous the sport. Toronto has become the backdrop to a macabre set of artistic installations: women kidnapped, tortured and horrifically displayed by a killer with a vision. Only someone capable of understanding the killer's creative desire will be able to stop the murders and D I Eleanor Raven is uniquely qualified. Driven by a complex personality she pursues only the facts, only the things she can see, but never casts a judgement. But she also has a dark and dangerous secret - one that will threaten her very survival.
