On a remote planet, a military boarding school is about to get a new headmistress. Her charges will include Ebie, a girl desperately trying to keep a secret, Kim, a boy desperately trying to keep his friends from dying, and Vrei, a girl who just wants to make it to the end of the day. Will any of them get what they want? With only a week until Transfer Day, the biggest and most important event of the year, the stakes couldn't be higher.
