All was right within Niyah and Deacon's world, both of them were at the top of their game in their chosen professions. But the only thing stopping their relationship was Deacon's late nights and early mornings due to his security company. Despite all that, Niyah was still willing to love her husband to no end and give him everything he wanted until her female intuition was telling her something wasn't right. Following the clues that had been in her face the entire time, Niyah finds out things about Deacon that she would've never dreamed of. Friends of Niyah help her cope with her crazy ordeal but while one has her best interest at heart, the other does not. While uncovering all there is to know about Deacon's late night endeavors, Niyah finds solace in the place she hadn't expected. Shocking and dirty little secrets get revealed to Niyah in the worst way possible and it's enough for any sane woman to go crazy. Will Niyah fall prey to Deacon's unsavory secrets? In Deacon's words, no other woman will ever compare to Niyah, but how much of that is true? Time will tell what's in store for Niyah and Deacon but in order to find out you gotta turn the pages to this thriller.
