What's it like being 40 years old, single and the mother of six kids? Let me tell you . . . It's all on you. Except it's not. It's all on you and God. I can't do it without him. Life is crazy, life is wild but life is really good too. Being single with six kids is hard but it's the most amazing adventure in the world. Here's a year in my life and my musings as a single mom.
